---

**NSF’s Translational Research Funding Opportunities**

2:00 pm | Annenberg Auditorium, Lower Level, Snite Museum of Art

After the CBM meeting, faculty and students are invited to attend a special presentation by Dr. Prakash Balan, Program Director with the Division of Industrial Innovation and Partnerships at the National Science Foundation. In this presentation, Dr. Balan will describe how researchers and innovators can take advantage of the rich funding opportunities that NSF provides in moving basic research forward through technology development, towards commercialization.

This presentation is sponsored by ND Research and the IDEA Center at Notre Dame.
